Subject: FOIA request for records related to Amazon Ring

Dear FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I request copies of the following records:

- All documents (including but not limited to emails, memoranda, contracts, or agreements) related to the County's contract with Amazon Ring
- All emails (including any and all attachments) sent to/received from email addresses associated with the ring.com domain
- Any documents (including, but not limited to, emails, memos, guidances, or guidelines) containing any policies or procedures (including, but not limited to, procedures for obtaining video and policies regarding posting on the Neighbors app) regarding either the Neighbors app or RING cameras
- Documents (including, but not limited to, emails or memos) sufficient to show the Partnership Point of Contact, Press/Media Coordinator, Social Media Coordinator, Investigative Coordinator, and Community Relations Coordinator with regards to the RING agreement

The Sheriff's Office recently announced a new partnership with Ring: <https://patch.com/illinois/manhattan/will-county-sheriffs-office-joins-neighbors-app>. The requested documents will be made available to the general public, and not for commercial purposes, in order to shed some light on these contracts with the County (see, e.g., my blog post at <https://sgandlur.com/ring-map>, for more context on investigations into Amazon Ring).

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,
Shreyas Gandlur

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 2 day of April, 2019 by and between Ring LLC ("Ring") and Will County Sheriff's Office ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Will County ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Nat,
Can you please confirm if the below individuals were on the webinar with us?

1. Partnership POC - the main point of contact(s) for the Ring partnership
2. Press POC - typically the PIO who would work with Morgan (PR Coordinator) from our team to coordinate announcements.
3. Social Media POC - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)
4. Investigative POC - generally a detective who will be your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of video.
5. Community Relations POC - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

I still want to conduct an in-person presentation in the next two weeks. What is your schedule for the week of 4/15?

Lieutenant Freeman,

The MOU agreement is fully signed. Attached are the documents for your records.

I've copied your new Partner Success Manager, Kyle. We would like to set up a webinar for all of us to connect. We should ensure all the key stakeholders are included so everyone can get on the same page.

The individuals we ask to be included in this webinar would be:

1. Partnership POC - the main point of contact(s) for the Ring partnership
2. Press POC - typically the PIO who would work with Morgan (PR Coordinator) from our team to coordinate announcements.
3. Social Media POC - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)

5. Community Relations POC - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

It would be ideal to have all these individuals on the webinar, but essential to have them present at the actual onboarding. Again, involvement by each of these groups is essential for active community participation (specifically on video requests) and the overall long-term success of the partnership.

Lt. Freeman,

It's great to e-meet you. The next step in the process normally would be to schedule a webinar with all the main key stakeholders noted above by Phillip. After that webinar, we would then schedule a date for me to come out in person to train everyone on how to use the Ring Neighbors Portal.

I'm going to be in Elgin, IL May 7th/8th and would love to see if could line those visits up. Are you available this week for a quick chat before we schedule the webinar?

Thanks,
Kyle

Nat, I apologize for the confusion. Due to some of the POC's not being in our first webinar, the 26th was put in place to brief your PIO, social, CID, and IT team. The 26th is not going to be your official onboarding date, as Kyle will still need to conduct an in-person or webinar training subsequent to my visit. You have been with me every step of the way so I would like to offer you two options. The first, subsequent to my presentation on the 26th, Kyle can conduct a remote onboarding and grant you access without visiting Will County Sheriff's Office or next time he is in your area, can visit and train CID + Patrol for 2.5/3 hours. The latter has been common with most agencies but due to the uniqueness of this situation, we can delegate towards a remote onboarding if need be.

Please let me know what you think.

Thank you for the clarification, the first meeting had everyone except three of POCs. The 26th will be good to hear the info again and to have our PIO and IT people there, in that case we may have another jurisdictions police rep there, and he may contact you later to move forward with his PD.

Kyle is welcome to come out...we were just confused as to the steps. We can do the onboarding via webinar or in person or both...that may be preferred to ensure we are maximizing the portal. Patrol will not have access to the portal as of yet, for now it will be CID only.

Thank you,

Nat

Nat, I apologize for the confusion. Due to some of the POC's not being in our first webinar, the 26th was put in place to brief your PIO, social, CID, and IT team. The 26th is not going to be your official onboarding date, as Kyle will still need to conduct an in-person or webinar training subsequent to my visit. You have been with me every step of the way so I would like to offer you two options. The first, subsequent to my presentation on the 26th, Kyle can conduct a remote onboarding and grant you access without visiting Will County Sheriff's Office or next time he is in your area, can visit and train CID + Patrol for 2.5/3 hours. The latter has been common with most agencies but due to the uniqueness of this situation, we can delegate towards a remote onboarding if need be.

Please let me know what you think.

Best,

Phillip Dienstag

Thank you for reaching out.

We already have April 26th scheduled for an in person demo with Phil....what will the 26th meeting be in regards to?
So we still need another demo, webinar and then training?

The 26th will have our PIO who also handles social media present, we want our IT personnel there along with the investigations representatives which will encompass the community relations aspect....we do not have a dedicated community relations POC....those are our detectives who will primarily be using the portal.

Thank you,

Nat

Thank you for the introduction, Phillip!

Lt. Freeman,

It's great to e-meet you. The next step in the process normally would be to schedule a webinar with all the main key stakeholders noted above by Phillip. After that webinar, we would then schedule a date for me to come out in person to train everyone on how to use the Ring Neighbors Portal.

I'm going to be in Elgin, IL May 7th/8th and would love to see if could line those visits up. Are you available this week for a quick chat before we schedule the webinar?

Thanks,

Kyle

Lieutenant Freeman,

The MOU agreement is fully signed. Attached are the documents for your records.

I've copied your new Partner Success Manager, Kyle. We would like to set up a webinar for all of us to connect. We should ensure all the key stakeholders are included so everyone can get on the same page.

The individuals we ask to be included in this webinar would be:

1. Partnership POC - the main point of contact(s) for the Ring partnership
2. Press POC - typically the PIO who would work with Morgan (PR Coordinator) from our team to coordinate announcements.
3. Social Media POC - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)
4. Investigative POC - generally a detective who will be your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of the video.
5. Community Relations POC - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

It would be ideal to have all these individuals on the webinar, but essential to have them present at the actual onboarding. Again, involvement by each of these groups is essential for active community participation (specifically on video requests) and the overall long-term success of the partnership.

Subject: PR Intro + Materials - Will County Sheriff's Office (IL) Joins Neighbors by Ring

Hi Kathy,

Thank you for your time today!

I know we are looking forward to officially launching Will County Sheriff's Office on the Neighbors app platform.

I wanted to introduce Morgan Culbertson from Ring's PR Team (CC'd) and send over press packet materials below as discussed today so your team can review and coordinate with Morgan to send out Press Release.

First item to note is the In-App message sent from Ring one day prior to your scheduled Onboarding as a simple courtesy message to our existing users in the area so they know your Department will be joining the conversation (see example & more info [here](#)). As mentioned today, this has gone out live now.

Beyond the in-app message, please review the materials below and be sure to coordinate on broader announcement plans and **provide drafts to Morgan / our media team in advance for review before anything goes out to the press or public.**

The announcement Press Packet can be accessed via dropbox [here](#) and contains the following materials;

- **Press Release Template:** Meant as a starting point template with standard messaging for you to update and send as final draft (via Media@ring.com) so our PR team can review and sign off before your team distributes via local press list, Dept. website, social media pages & any other preferred channels.
- **Social Media Templates:** Sample content for the initial announcement via Facebook, Twitter, Nextdoor & any other social channels in tandem with the press release.
- **Key Talking Points & Reactive Q&A:** Basic talking points and answers to commonly asked questions for Dept. representatives to use when speaking about the Neighbors app and our partnership with the press/public.
- **Neighbors App Logo & Misc. Imagery:** High-res versions of the Neighbors app logo and other contextual images to incorporate with PR materials as needed.

The Neighbors App download link and simple text info below should be included in the initial announcement and in any future public communications from the Dept. when appropriate so that residents are able to download the app and participate;

Download Link: <https://download.ring.com/willcounty>

Simple Text Info: Or, simply text **willcounty** to 555888 from your smartphone. (*not case sensitive*)

That's it for now! Let us know once you've had a chance to review and if you have any questions in the meantime.

Best,
Kyle

Greetings All,

Thank you for joining today's training session of Neighbors Portal by Ring! For those not able to attend, please see below for how to get your Ring Portal account activated.

Below is a guide to get started which includes directions on creating your account, key takeaways from training, and your unique department link and promo code for special law enforcement offers.

Creating an Account

*Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
 1. Sign in → click on the blue profile icon in the upper right corner → **My Profile**
 2. Click **Select Alert Zone**
 3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors App.

*For Ring's law enforcement guidelines, please click [here](#).

Special Offers for Law Enforcement

1. Download the FREE Neighbors App by texting **willcounty** to **555888** or by visiting download.ring.com/willcounty
2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **NBWILLCOUNTY** and be sure to check out using your department email address (kdemmin@willcosherriff.org)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

If you have any questions or need support at all, feel free to contact me any time at kyle.demmin@ring.com or 714.381.6291. It was a pleasure meeting your team and I hope to connect again soon!

Best,

Just to clarify Kyle's email regarding who is monitoring the comments for the portal. On the site specifically, not sure who is doing that. On the comments on FB, I will do my best to answer any questions or find out the answers. I'm not very well schooled in the whole Ring/Neighbors process, and who is taking care of what, just so you are aware of that in case I need to be doing something and I'm not doing it.....just let me know.

See email below. I informed Morgan that I already received approval from Kyle on June 18th, and that the press release was also sent out that day. Just want to share the information in this email with both of you, because, as I've stated, I really don't understand the in's and out's of this so I don't want to miss anything I'm supposed to be doing.

Thanks.

Hi Kathy,

Sincere apologies for the delay here. Draft release is approved on our end for your team to distribute whenever most convenient.

Please let us know when that would be so we can be on the lookout to support.

Additional materials below and PR guidelines to assist with public outreach and to ensure both parties are aligned and feeling good going forward.

Here if you need anything further as well!

Best,

Morgan

Neighbors App PR Materials Folder ([Click to Access](#)) includes:

- Pre-approved social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Reactive Q+A
- Hi-res Neighbors app imagery

General PR Guidelines

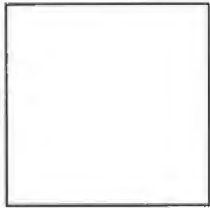

- **All public facing messaging and materials must be approved by both parties;** either by using approved templates or submitting to Ring PR for approval

- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**
- **Per Ring's company policy, we do not publicly disclose the number of app downloads or device users residing in a given area or jurisdiction to protect user privacy**
- **Neighbors Portal back-end features should not be shared with the public, including** the law enforcement portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information
- **Ring or Neighbors-specific questions from media can be directed to morgan@ring.com and any additional materials, examples, templates or information needed to support your outreach can be supplied by your PSM and the Ring PR team (all ccd).**

Please take a look at the attached press release. Here at the Will County Sheriff's Office we have software on our website (for Press Releases) that feeds directly to our Facebook page. In other words, this press release will be the same on our website as it is on Facebook.

I am awaiting your approval. If any changes need to occur, let me know. Thank you!
